

Breckenridge Outdoor Education Center

Supplemental questionnaire for the Out of Sight Adventure Program:

The purpose of this questionnaire is to assist the BOEC in determining if the students are physically active, independent in their daily living skills, are cognitively and emotionally age appropriate and can travel independently.

Please answer the following questions on a separate sheet and return with application. Thank You!

1. **What outcomes are you hoping to take away from this program?**
2. **How will this program and the outcomes you identified in question #1, affect your current situation and your future life goals? (Please be specific as you address your hopes and goals.)**
3. **Please explain, using specific examples, why you would classify yourself as an active person. (Socially, physically, educationally, vocationally, mobility etc.)**
4. **Please describe your mobility skills**
 - a. **What devices do you use for mobility (cane, GPS, monocular optical devices etc.)?**
 - b. **If you have O&M lessons currently, what are some of your current goals?**
 - c. **What mobility challenges would you hope to improve upon during this program?**
 - d. **In regards to mobility, what areas do you predict to be particularly challenging in camping, rock climbing, hiking**
5. **Please give examples of ways you contribute to your family or community.**
6. **Please describe aspects in your life you feel most passionate about or what you are most interested in?**
7. **Please give an example of a challenge you have recently had to overcome. How did you react to the situation and how did you overcome the challenge.**

Environmental presentation agreement:

If I, _____ am chosen to participate in this program I am aware and agree that I will create a 15 minute environmental presentation. I will present my presentation during the program in Colorado.
