

“We are all here for each other. There are a lot of people who have the same injuries as me, so we can support each other. We keep our hopes up. We tell each other never to give up . . . There’s a lot of support out there, but it’s most important to not give up on yourself.”

--Airman 1st Class Kevin Krogh who attended a BOEC program last year

4-DAY WOUNDED WARRIOR FAMILY WILDERNESS ADVENTURE August 13-16, 2011

*for vets who have sustained a Traumatic Brain Injury
or other disabling injury and their Family Members*

All trip expenses covered.

The Breckenridge Outdoor Education Center (BOEC) will be running a 4-day Family Adventure for military veterans who have sustained a disabling injury in the service of their country. We extend a special invitation to those suffering from TBI.

This program will be based out of our Griffith Lodge in Breckenridge, Colorado. Families will stay in our lodge during the evenings. Activities during the day will include a **ropes course, rafting, canoeing, and possibly rock climbing**. All BOEC adventure activities and instruction are designed and adapted to accommodate participants in wheelchairs and with other disabilities. All instruction, meals and trip gear will be provided by the BOEC. Participants will need to provide their own transportation to the trip start in Breckenridge, or can utilize BOEC transportation within the state of Colorado.

The Breckenridge Outdoor Education Center (BOEC) is a national leader in outdoor adventure education serving all people, while ensuring that outdoor adventure is accessible to those with disabilities and special needs. The mission of the Breckenridge Outdoor Education Center is to expand the potential of people with disabilities and special needs through meaningful, educational and inspiring outdoor experiences.

For more information visit our website at www.boec.org, or to sign up, contact Claire DiCola at (970) 453-6422, toll free at (800) 383-2632, or email at wildassist@boec.org.
The BOEC is insured.
